Air

Designed for your well-being

Stol Air zdruzuje udobje, trpeznost in odlicno ergonomsko podporo. Kovinsko hrbtisce, zracna mreza in stabilna ledvena opora zagotavljajo prijetno sedenje skozi cel dan. Razvit in proizveden v Sloveniji.

Air combines comfort, durability and excellent ergonomic support. The metal backrest frame, breathable mesh and stable lumbar support ensure pleasant seating throughout the entire day. Developed and manufactured in Slovenia.
