Rahlo zaobljen naslon objame hrbet in s prilagodljivo ledveno oporo zagotavlja trdno podporo tam, kjer je to najbolj potrebno za zdravo in udobno sedenje. Vzdržljivo in močno ogrodje stola poskrbi za izjemno trdnost in dolgo življenjsko dobo.

The gently curved backrest embraces the back and, with adjustable lumbar support, provides firm support exactly where it is most needed for healthy, comfortable sitting. The durable, sturdy chair frame ensures exceptional rigidity and a long lifespan.

Embracing curves for targeted lumbar support
