Bliss

Adjustable comfort for all heights

Bliss prinaša zadovoljstvo tudi tistim uporabnikom pisarniških stolov, ki zaradi svoje višine težko najdejo udoben stol. Nastavljiv v višino in globino ter z močnim ogrodjem, vas bo zagotovo dobro podprl, da lahko uspešno opravljate svoje delo še naprej.

Bliss brings satisfaction even to office chair users who, due to their height, struggle to find a comfortable chair. Adjustable in height and depth and with a strong frame, it will reliably support you so you can keep working successfully.
