DYNAMIC VERSATILITY

MADE IN SLOVENIA

Eclipse

Eclipse je vsestranski stol sodobne zasnove, ustvarjen za dinamične prostore – od konferenčnih dvoran in seminarjev do čakalnic in učilnic. Njegova ergonomska školjka iz polipropilena ponuja udobno sedenje, možnost oblazinjenega sedeža pa še dodatno poveča udobje.

Eclipse is a versatile chair of contemporary design, created for dynamic spaces — from conference halls and seminars to waiting rooms and classrooms. Its ergonomic polypropylene shell offers comfortable sitting, and an upholstered seat option further increases comfort.

Ergonomic design for active spaces
