Konferenčni stol Kira je eleganten oblazinjen stol z zaobljeno silhueto, ki nudi udobje in estetsko dovršenost. Školjka iz vezane plošče, tapecirana v blago po izbiri, lepo dopolnjuje masivne bukove noge. Zaradi svojega dizajna je odlična izbira tudi za sodobne jedilne prostore.

The Kira conference chair is an elegant upholstered chair with a curved silhouette that offers comfort and aesthetic refinement. The plywood shell, upholstered in the fabric of your choice, beautifully complements the solid beech legs.
