Kirra

Understated design for any office space

Enostavne zasnove so cenjene že na prvi pogled in ob prvi uporabi. Konferenčni fotelj Kirra se zgleduje po tej dizajnerski zamisli in je privlačen dodatek v vsak pisarniški prostor.

Simple designs are valued at first glance and on first use. The Kirra conference armchair follows this design principle and makes an attractive addition to any office space.
