ERGONOMIC EMBRACE

MADE IN SLOVENIA

Klea

Ta moderen stol brezhibno združuje prefinjeno estetiko z ergonomsko udobnostjo. Obsežno oblazinjeno sedišče in naslon zagotavljata vrhunsko podporo, medtem ko mehko zaobljeni rokonasloni prispevajo k sprostitvi.

This modern chair seamlessly combines refined aesthetics with ergonomic comfort. Generously upholstered seat and back provide top support, while softly curved armrests contribute to relaxation.

Plush support curved armrests refined comfort
