Lafilo klopca

Pisarniško pohištvo je izdelano iz plošč iz stisnjenih vlaken z dekorjem v svetli bukvi (miza, predali, vrata omare) v kombinaciji s svetlo sivim, monokromatičnim dekorjem (korpusi, police, segmenti mize).

The office furniture is made of compressed fibre panels with a light beech décor (desk, drawers, cabinet doors) combined with a light grey monochrome décor (carcasses, shelves, desk segments).

Fibre panels with light beech décor
