Practica 1/2

Reduce fatigue with ergonomic adjustments

Nastavitve stola Practica omogočajo individualno prilagajanje, kar pomaga ohranjati dobro držo in zmanjšati utrujenost med delovnim dnem. Ima ergonomsko zasnovano sedišče in trpežno konstrukcijo.

The Practica chair's adjustments allow individual customisation, helping maintain good posture and reducing fatigue during the working day. It has an ergonomically designed seat and durable construction.
