President

Lumbar support refined

Direktorski stol President združuje klasično eleganco in udobje, primerno za vsako vodstveno pisarno. Izbočen ledveni del zagotavlja podporo hrbtenici pri večurnem delu, kar izboljša ergonomijo in udobje.

The President executive chair combines classic elegance and comfort, ideal for any executive office. The pronounced lumbar section provides spinal support during long hours of work, improving both ergonomics and comfort.
