Classic choice for design lovers

Direktorski stol Richard je klasična izbira za vse, ki imajo radi retro oblikovanje. Popolnoma tapecirana izvedba nudi mehkost in udobje, kromirani ter aluminijasti detajli pa dodajo izrazit retro videz.

The Richard executive chair is a classic choice for retro design lovers. The fully upholstered build delivers softness and comfort, while the chromed and aluminium details add a pronounced retro look.
