EXECUTIVE COLLECTION

MODERN BREATHABILITY

MADE IN SLOVENIA

Venus nizki

Stol, ki očara s sodobnim videzom, ergonomijo in zračnostjo za udobno in sproščeno sedenje. Sedišče in hrbtni naslon sta izdelana kot okvirja iz ojačenega fiberglasa preko katerega je nameščena črna ali bela mreža.

A chair that captivates with its modern look, ergonomics and breathability for comfortable, relaxed sitting. The seat and backrest are built as reinforced fibreglass frames covered with black or white mesh.
