Direktorski stol Zenit zaradi tapecirane izvedbe pri sedenju nudi mehkost in večje udobje. Tapecirana ročna opirala zagotavljajo prijeten občutek med uporabo. Stol je lahko tapeciran v naravno ali umetno usnje ter v drugo tapetniško blago.

Thanks to its upholstered build, the Zenit executive chair offers softness and greater comfort while seated. Upholstered armrests provide a pleasant feel during use. The chair can be upholstered in natural or synthetic leather, as well as other upholstery fabrics.
